America will choose the direction of our country on issues from religious freedom to immigration to climate change to building an economy that helps working families gather their right heads. Cthulhu has proven that He is a candidate who can take tough politicians, shived them and dumped the eastern river. But that's not the only reason he should be our next president. Here are the first reasons that Cthulhu should be president. What's your reason? Add it at the end of this post. Cthulhu is one of the most qualified presidential candidates these days. Cthulhu has destroyed at least fifty sapient species alone in this galaxy. Cthulhu will use the American armed forces on the grounds that it was created, world domination We cannot afford and continue to allow vampire squid republicans and democratic parties to leech the nation's life. It is high time for a new status quo. Cthulhu will be appointed to the Supreme Court nine times. He will remove big money in politics by removing all universe masters from existence. It will make immigration a thing of the past, but it will dominate the world. He will complete his terraforming project (AKA Climate Change) by 2025. The economy is stronger when large amounts of the population are sacrificed. Cthulhu will transform education by demanding metaphysics and advanced courses of non-Euclidean geometry, as well as readings from the unexploited and accurately translated Al Azif. Unausprechlichen Kulten, De Vermis Mysteriis and others. Experts say Cthulhu's plan to eat Wall Street accountants is the toughest and bloodiest of all presidential candidates. He spent his life dominating the weak and consuming delicious. Cthulhu will not earn his suffering. Cthulhu knows that disgusting and bloodshed is He won't hide behind human firewalls. I wouldn't put the theocracy in America. As a true God, I do not need to make people believe in me. A robust programme of human sacrifices will ensure full employment for America and all its conquered territories. We will ensure security not by building walls, but by expanding our borders. I manipulated Twitter to ensure every 1 Direction hashtag trends just drive the world a little more insane. In today's partisan environment, the only candidate capable of uniting all parties and believe in madness is Cthulhu. After you eat, your effective tax rate will be zero. Only a presidential candidate has a Pluto region named after him. (New Found) Fhtagn (hlp) Why chose less evil? Donald Trump is less evil for smaller men. (22charlesmiller) All prohibited knowledge must be accessible to all. A crazy mind is worth investing in a strong economy. (powell.randall) More elected than Hillary. (artori711) With Cthulhu, poverty will be a thing of the past and so will mankind. (rennt) The changes are no longer empty of promise media attacks against Cthulhu suggesting that he is a legitimate threat. Cthulhu will remove traditional classes.
