Salesforce platform app builder certification handbook pdf files pdf

Is there a limit for access to the study guide? We have an active forum, in which you'll be able to interact with others studying the same certification as you. We know there are many sites out there with material related to the exams.The problems with these sites are :- The information is sometimes incorrect, which will cause you to become confused- They don't cover all of the exam objectives- They are not updated for the latest release.- They don't allow you to study one particular objective.We make your study more efficient by covering each and every exam guide objective and providing it in a form that you are can use for your review and learning. Testimonials "I found the practice exams very effective. A very good preparation indeed.""I got a lot out of the course. During that time, you may access the study guide as many times as you like to practice. The study guide materials are updated shortly after each release. Frequently Asked Questions Do I interact with a real person at all? We can't guarantee that you'll pass the exam, it's up to you to use the materials to help you prepare. We are also on hand to answer your questions in the forum. The instructor provides in-depth details and goes over a lot of content. Why Choose Us?I'm Martin Gessner, founder of Focus on Force.I've spent eight years working with the Salesforce platform in various roles (including business analyst, project manager, consultant, solutions designer and solutions architect), and worked my way through 10 certifications in order to move up the career ladder.I created Focus on Force after realizing that others could benefit from the methods I used to pass Salesforce certifications. The fee for this is a pittance to pay for the tremendous value I received.~ Adam Schoolsky App BuilderStudy GuideIn order to pass the App Builder certification, you'll find that knowledge and experience of the Salesforce platform aren't enough. Your Exam Mockups were extremely helpful to prepare for the test and I will recommend to my colleagues to use them as well." "I found the practice exams very effective. Using the course material and then the practice exams, I was able to gauge where I needed to spend more study time. You will get any release updates for free during the 1 year of access after purchase. With our study guides, you get to...Improve your knowledge and confidence.Brush upon your Salesforce training or kick off your learning if you don't have on-the-job experience.No long, tedious walls of text to read through! Instead you'll find screenshots, links for references, review Q&As for every topic, and lots of other engaging stuff.We help you focus on the key points you'll need to know in order to pass. They identified specific areas I needed to improve in, which allowed me to concentrate my studying time on those areas, and I passed the test as a result.Thanks!""You Guys ROCK!Because of YOUR material on FocusOnForce.com, I was able to MORE COMPLETELY and more ELABORATELY learn how Salesforce really works! Thank you for making my Salesforce Professional World a BETTER PLACE! I revere, respect and appreciate FocusOnForce.com and the collective efforts of the FoF team because it helps me REALLY UNDERSTAND how Salesforce works, and in the process... I efficiently pass the Cert Exams.I am just SO SO grateful that you take the time to achieve this level of STELLAR QUALITY, COMPLETENESS and IMPACTFUL enablement.Thank You from the bottom of my heart.""I passed the exam with the first attempt. This is the starting point for your study, covering all of the exam guide objectives.The App Builder Study Guide incorporates all 26 Objectives within all 5 Sections of the official Salesforce Certification Exam Guide.You need a guide that summarises the key certification objectives in plain English, using examples, diagrams, charts and topic reviews to make sure you've cemented your understanding.Every objective is explained in detail.The App Builder Certification Study Guide includes screenshots, summary points and diagrams to illustrate key concepts, as well as visually explain and demonstrate Salesforce functionality. Check the testimonials though, there are many happy Salesforce certified people who have found our study guides and practice exams helped them.We do promise that we have done our best to make sure the materials are accurate and up to date. Posted on April 18, 2022 in Certification Guides, Certifications A BIG thanks for the well organized Platform App Builder study material. Why should I pay for this, when there are many free sites out there? I would highly recommend this course as one of the tools in your arsenal to pass the Salesforce App Builder certification." Why Choose Us?I'm Martin Gessner, founder of Focus on Force.I've spent ten years working with the Salesforce platform in various roles (including Business Analyst, Project Manager, Consultant, Solutions Designer and Solutions Architect), and worked my way through 10 certifications in order to move up the career ladder.I created Focus on Force after realizing that others could benefit from the methods I used to pass Salesforce certifications. I would highly recommend this course as one of the tools in your arsenal to pass the Salesforce App Builder certification." Testimonials"I wanted to reach out and say both your study guides and practice tests were the biggest reasons why I passed today.""Thank you for providing such a good study material; it definitely helped me passing the App Builder exam; yes I am now Salesforce App Builder Certified, and I am very happy.The study Material and exams are a great source for passing the exams! The combo of study guide and mock exams are very good. Your Exam Mockups were extremely helpful to prepare for the test and I will recommend to my colleagues to use them as well." Complete your study package with theApp Builder Practice Exams App Builder Practice Exams © Focus On Force | All Rights Reserved | Privacy | Contact In order to pass the App Builder certification, you'll find that knowledge and experience of the Salesforce platform aren't enough. Look Inside What's IncludedCovers all 5 Sections of the official Salesforce Certification Exam Guide Explains in detail all objectives within each section (a total of 26 objectives) Topic summaries that you can use to learn the topics efficientlyFree Access to interactive Study Group Sessions and study group recordingsExplanations in plain English, with screenshots and diagrams rather than endless, unremarkable textEasy to read bullet pointsReview Flashcards (with questions and answers) for each sectionTopic Videos for selected topics by Guest Instructors explaining topics in detailIncludes links to lots of extra resources for further readingScenarios and requirements with sample answers to test your ability to determine solutionsUnlimited Access and Updates for 12 monthsTestimonials "I wanted to reach out and say both your study guides and practice tests were the biggest reasons why I passed today." "I got a lot out of the course. You have access to the study guide for 12 months from the date of purchase. You also need to get to grips with the exam itself.You need a guide that summarises the key certification objectives in plain English, using examples, diagrams, charts and topic reviews to make sure you've cemented your understanding.That's why we created the App Builder Certification Study Guide.It will help you understand confusing or difficult concepts from the official Salesforce Certification Exam Guide and brush up on your skills – all in a format that's easy to digest and has been proven to work with thousands of happy customers. The App Builder Study Guide will help you focus on the key points you need to know to pass the exam.Covering all objectives, this study guide includes videos, screenshots and diagrams to illustrate key concepts, as well as visually explain and demonstrate Salesforce functionality.The Salesforce help pages and videos are great when you want to know all the details, but the App Builder Certification Study Guide provides a summary of all topics in study guide format.You need a guide that summarises the key certification objectives in plain English, using examples, diagrams, charts and topic reviews to make sure you've cemented your understanding. They identified specific areas I needed to improve in, which allowed me to concentrate my studying time on those areas, and I passed the test as a result.Thanks!" "I passed the exam with the first attempt. What release is the study guide based on? That's why we created the App Builder Study Guide.Our study guide will help you understand confusing or difficult concepts from the official Salesforce Certification Exam Guide and brush up on your skills – all in a format that's easy to digest and has been proven to work with thousands of happy customers. You also need to get to grips with the exam itself. Is there a money back guarantee? You will get all release updates to the exams during your access.
